President's Report

Hi Everybody,

How are you all doing with the cold weather we're having? I am enjoying it (I love winter) and with winter comes August and with August comes our A.G.M. so don't forget to be at the meeting and have your say. Unfortunately we will be losing two of our general committee, Bev and Josie (we wish them all the very best). We will therefore need two replacements. Please think seriously about being on our committee. You'd be surprised how little time being on the general part of the committee takes up. Many people think they don't have the time, but it's really only one meeting (at night) through the month and of course our club show and what we do that day.

Country music is still struggling to attract young people. Don't forget that if you have talented grandchildren or great grandchildren encourage them to come along and speak to Lorraine about performing at your shows. We do have shows where we have walk-ups.

Well bye for now.

Thank God for country music.

Di Smith (Pres)

LORRAINE'S ROUND-UP - June 2010

Here we are half way through the year and so far it's been excellent. The attendance has been higher than usual, so thanks to everyone for their support.

Entertainment for June was one my favourite artists from NSW, the one and only Brian Letton. He has more than ten CDs available, which proves how good he is – ballads, gospel and Xmas, it's all there.

He sure put on a great show. The dance floor was full all day.

His partner for the day was Cactus Martens from Port Pirie. Cactus had a band 'Detour'. He still keeps in touch with all the members of the band. He was great as well. He has two CDs out. It was a very good sound of Country Music with them both.

Brian's son Trev controlled the sound. He said he still drums along the way at times. I remember him as a teenager drumming away. I reckon he is about six foot tall now, wow, how time flies by.

It was nice to hear Brian's father Harry Letton was recognised in the Barmera Hall of Fame this year.

LORRAINE'S ROUND-UP - July 2010

Well here we are half way through the year and it has been a great six months. The bands have been well received.

Still there are a few people who don't like a certain band, but please just sit back and enjoy the music. We are never going to please everyone.

Bill Bedford and his bush ballads have a real country feeling. That's how country music started sitting around or dancing to songs about the bush and life living in our great country Australia.

Nowadays songs are written about everyday problems and love songs. I believe Tamworth is changing to this latest style. We will continue to be real country!

It was pleasing to hear Daryl Lee perform in the band.

Little Ashlee, Bill's granddaughter, loves being up there with granddad. She has endured a lot of illness in her early years but is bright and sparky now.

The AGM is in August, I hope we can encourage some new faces to give it a go on the committee.

See you next time

Lorraine.

August Show:- Bernie & the Bandits

Words on Bernie & the Bandits have been in many past Country Calls, so they won't be repeated in this issue. Keven Bergen often joins the band, but won't be on August the first. Appearing will be David Cross (Piano). Patsy Croucher (Bass). Bobby Craig (Drums) and of course Bernie Scott.

When asked for some words for this issue Patsy replied with "We always enjoy playing at the A.C.M.C., thank them for supporting our band. We are looking forward to another entertaining show."

Instead of the usual photos of them, shown are some of them dressed up at Barmera in June.

August Show:- special guest Amber Joy Poulton

Amber Joy Poulton has been singing for as long as she can remember but it really all began for her while living in Port Lincoln for a few years. To earn some extra dollars and to fill in the time away from family, she answered a "singer wanted" ad at the local music store. She stayed in Port Lincoln singing rock covers for a year and a half until the call back to Adelaide to sing in a band with her sister Leah. The next 8 years were spent working full time in one of Adelaide's hardest working corporate bands 'Flirt' and then a lounge trio called, 'Choc'olate'.

Although appreciating working most weekends around Adelaide it just wasn't 'ticking all the boxes' for Amber Joy and she found herself losing her drive and love for music. Just in the nick of time was an offer in 2009 to star as June Carter in Adelaide's finest Johnny Cash tribute show, Walking The Line. Honky Tonk hit a home run for Amber Joy and it wasn't long after that, that she was approached to put together her own show and Loretta Lynn was the stand out choice for her. "I was, and still am full of admiration for Loretta Lynn. To have 6 children and still have an award winning career travelling around the world, is mind boggling... seeing as I struggle just get to a local show with just two children. Honky Tonk Angels - The Story Of Loretta Lynn and Friends showcases Loretta's best hits and those of her girlfriends, Tammy Wynette, Patsy Cline, Dolly Parton, Linda Rondstadt and yes, June Carter, and has had fantastic reviews, sold out shows at the Adelaide Fringe AND has travelled all around Australia to big and small towns and at the best festivals including, Tamworth 2010, Boyup Brook (WA), Mildura 2010 and the Gympie Muster in August.

It was during 2009 that Amber Joy decided to apply for the Toyota Starmaker Competition. She was immediately

A promo shot sent by Amber for her appearance at the Semaphore Music Festival in October

put into the Top 10 Grand Final and although didn't come home with the prize, she has not sat down long enough to notice. Her aim for the remainder of 2009 was to record her own music with her own heartfelt messages and to learn the guitar. Mission accomplished, in September 2009, Amber Joy launched her debut album Taking Goodbye, co-written and produced by TIARA Best Male Vocalist, Doug Bruce.

Her first single release, Rising Star, hit the Top 30 of the Australian Country Music Top 30 and her second release, 'Good Old Fashioned Days' is getting radio play around the country and has been awarded SA APRA Traditional Country Song Of The Year for 2009. Amber Joy was also presented with the South Australian Achiever Award for gaining recognition around Australia in 2009 with her music.

During 2009 and 2010, Amber Joy has made appearances at The Boyup Brook Country Music Muster (WA) Mildura Country Music Festival, Barmera, Blanchetown, Semaphore, Murraylands and the SA Stampede as well as a return to Tamworth in January 2010, Katherine Country Muster and The Gympie Muster but is most enjoying performing in her home state and is looking forward to the Adelaide Country Music Club in August.

August Show:- special guest Chooka Williams

At our August meeting Chooka will sing a few songs and be presented with a painting by our Rob McMahon. In June of this year Chooka was inducted into the SA Hall of Fame at Barmera. Below are the words on the website for the Riverland Festival.

“Chooka first performed in 1964 for the Ouyen District Hospital Fund Raising Concert playing Rhythm Guitar and was Lead Singer for the

Owltones. During the 70's and 80's he continued with Marton Barton and Fargo. He recorded 'Sunset Country' with Star Productions in 1997, in 1999 came Mallee Country and his current CD is Still Steady. Chooka participated in the Olympic Torch Song Contest and co-wrote the winning song that was performed while the cauldron was being lit. Brian “Chooka” Williams will be Inducted into the SA Hall of Fame in 2010.”

He has also toured interstate on numerous occasions and has 2 albums to his credit with more to come. The photo was taken at Barmera in June 2010.

September Show - guest Angela Easson

Angela Easson is an accomplished performer dedicated to reaching her highest potential in the country music industry.

In May 2010, Angela was crowned the international winner of the Trans Tasman Entertainer of the Year award in Norfolk Island. She currently holds the state title as the 2009/2010 South Australian Senior Champion of Champions and recently graduated from the CMAA Country Music Academy in Tamworth. She is actively songwriting in preparation for exciting plans in 2010.

Angela began singing at the age of 10, and at 14, wrote her first song dedicated to her late grandfather, continuing to further her skills through her teenage years by attending various songwriting and music seminars.

She was an active member of the South East Country Music Association until moving to Adelaide in 1997 to further her music career. This may have helped her 'big break' in 1998 when she was awarded the first South Australian Junior Champion of Champions, going on to win many prestigious awards at talent quests around South

Angela on Norfolk Island after being declared Trans Tasman Entertainer of the Year

Australia and Victoria.

Throughout the past seven years Angela has worked with many South Australian musicians, branching into different genres including pop, jazz and blues. An active member in the community, including the lead vocalist for the Onkaparinga Big Band, Angela's passion for country music saw her return to this genre in 2008. Angela

Byrne Plumbing Disaster

On the Wednesday before the Easter weekend Rhonda and Russell Byrne had a plumbing disaster with their kitchen taps. Waters was pouring down in between the walls and inside the kitchen cupboards. Initially we were unable to find a plumber prepared to assist before Easter but a phone call to Phil's Tapfix resulted in Phil arriving within the hour, knocking out part of the wall and fixing the problem.

Phil King is also known to many as a country music artist, especially at S.A. Riverland Country Music Festival at Barmera.

Thanks Phil.

Note:- Rhonda gave me this back in May, sorry it was not included earlier!

Joke from Rhonda

Six retired Irishmen were playing poker in O'Leary's apartment when Paddy Murphy loses \$500 on a single hand, clutches his chest and drops dead at the table. Showing respect for their fallen brother, the other five continue playing standing up.

Michael O'Connor looks around and asks, "Oh, me boys, someone has to tell Paddy's wife. Who will it be?" They draw straws. Paul Gallagher picks the short one. They tell him to be discreet and gentle, don't make a bad situation any worse. "Discreet??? I'm the most discreet Irishman you'll ever meet. Discretion is me middle name. Leave it to me."

Gallagher goes over to Murphy's house and knocks on the door. Mrs. Murphy answers and asks what he wants. Gallagher declares: "your husband just lost \$500 and is afraid to come home."

"Tell him to drop dead!" says Murphy's wife.

"I'll go tell him." says Gallagher.

May, but has recently won the Rocky Page Memorial Scholarship to attend the CMAA Australian Academy of Country Music in June 2010.

Angela is actively songwriting in preparation for the recording and release of her debut EP, due out early 2011 and is certainly on the right track to becoming a highly accomplished singer/songwriter in the Australian country music industry.

Help

Please try and keep crumbs and rubbish off the floor. At the end of the day Committee members vacuum the floor. Less crumbs less work! Thanks!

Please also put your rubbish in the bins, return bottles and glasses to the bar and cup holders to their container. Again this will save your Committee having to do these chores.

Thanks to all for helping the Committee with setting up the venue at the start and clearing and cleaning up at the end of the day.
