Dear Member,

Some small changes have been made to the price of entry to our monthly shows, with the decision to drop concession rate and to allow children 12 years and under in free.

This will make it financially easier for families with small children to attend.

Plans for some great shows are getting underway, they include a (free to members) xmas show, an amateur talent quest, shopping centre entertainment, birthday celebrations and an out-door festival.

Before some of these events can go ahead, the club needs to be in a position to be able to afford and support such shows. It is hoped the new year will see most of these ideas off the ground.

The xmas show on the 2nd of December is free to members only, non members are quite welcome to come along (bring your friends) but they will be required to pay the entrance fee.

Don't forget to fill out the form for the childrens presents, We'd also like to hear from Grand-Parents as well.

Don't miss out on this Sundays show as we will hopefully have special guest NORMA MURPHY along to say hello.

Norma is performing on Sat night at the Earle of Leicester hotel and she has promised to come along to our show and meet everyone.

She will have her latest album (Colours) for sale and if you want she will autograph them for you.

OUR PRESIDENT SAYS

"SUCCESS"

It is pleasing to see in just a few short months, the success our club is enjoying and with many new things in the pipeline members can look forward to some exciting coming events.

The committee is giving serious consideration to an out-door festival, possibly after the Tamworth Awards next year.

Members are asked to give any assistance they can for this event please don't hesitate to offer your help or ideas.

Our continuing success is due to the commitment of members and friends. Your participation, attendance and persistant efforts is bringing its own reward.

Glen Harrison

## ROB'S RECORD REVIEW

BEST ALBUM of the year so far, "Loving Proof" by Ricky Van Shelton and with good backing, is a far improvement on his previous release.

THE HOTEL ALBUM comprises fourteen tracks: Coster, Murphy, Bushwackers, Caswell, Bullamanka, Blundell, Parsons, Egan, Emus, Corbett, Luhres & Crawford, and Pat Drummond - top line-up - all on one album.

GLEN CAMPBELL "Favourite Hymns" this one will probably not appeal generally, but certainly one for the Gospel fans.

## PEOPLE IN PROFILE

Rob was born in the Adelaide suburb of Blackwood and lived his pre-school days at Longwood, where his father was the local baker.

His parents moved to Cleve (Eyre Peninsula) where his grandparents lived, and so Rob commenced his schooling at the Cleve Area School.

### Robert Tilmouth

During his days at school he became a keen sportsman playing football and cricket and at the age of fourteen proudly represented the Eyre Peninsula Combined Cricket team.

Completing his schooling at Adelaide High, he went to Melbourne as a trainee Air Traffic Controller, but failing eyesight compelled him to give up this line of work.

Turning his talents to the challenging field of radio, Rob was fortunate in obtaining a position as presenter with 2NZ (Inverell) and after moving to several country stations, settled at 4BC (Brisbane) for several years.

Having to leave commercial radio due to his ever failing eyesight, Rob returned to Adelaide and secured a position with the Defence Research Centre, Salisbury and also became involved with public radio, where he has presented programs on SKY, 5UV and has a current program (Bluegrass Express) on 5MTM, Sundays at 11:00am.

With several other country music enthusiasts, Rob helped to form the ACMC early this year.

## GRAPEVINE GOSSIP

COMMITTEE member JAN WORDEN is deserving of praise indeed having competed in the recent City-Bay fun run.

She was one of approx. seven thousand people who participated in the 12km event to Glenelg. Jan elected to walk the course and completed the distance in 93 minutes.

Congrats Jan on a fine effort.

HEARD the other day that LEN WAKEFIELD had a real beaut barbecue and party out at his place recently, I'm not sure what the celebration was all about, but I'm told it was held while Lorraine was on holidays up in Queensland.

MEMBER LINDA BOOTH recently came third in an open talent quest, being run by Annette Ramsay (Integrity promotions) out at the Para Hills Community Centre on Bridge Road, Para Hills. A great effort Linda and congratulations from everyone at our club.

GOOD to see many club members turn up at the record launch of "BOTH BARRELLS" new cassette album on Sunday 17th. at the South Road Hilton Hotel.

A crowd of about 200 enjoyed the evening and listened to the band play many of the songs on the album which included a song written by club member MIKE QUARMBY.

## PEOPLE IN PROFILE

Lloyd was born in Yorktown SA on 11th. Feb. 1937 and was educated at the local area school.

In 1951 Lloyd joined the PMG Dept and worked for them at Bute, Port Pirie, Port Lincoln and Adelaide.

Lloyd Starr

He has always had an avid interest in Country Music and can remember listening to the radio, "Hillbilly Billy music back in those days" at very odd hours sometimes very early in the morning (much to the real discomfort of his room mates).

He regularly listened to Bob Fricker (5AD), Mel Cameron (5DN), Jim Chamings (5KA) and "Songs of The Prairie" on 2WG which was heard on Saturday nights prior to 2TM's arrival on the scene.

He has an extensive record collection of country albums, 45's and many old 78's and while his two favourite artists in America and Australia are Hank Williams Snr. and buddy williams, the Stanley Brothers/Reno & Smiley head the Bluegrass field.

His sporting interests include country Football and Cricket, where he holds dual life membership in the respective Tasman clubs, Port Lincoln.

Lloyd is also a keen Steam-train supporter, belonging to the "Pichi Richi (Quorn) Railway and the Ghan (Alice Springs) preservation societies.

He has a daughter Shana and two grandchildren Carola & Troy.

## WHEN WE LAST MET

Springtime! and our September meeting was held on Father's Day.

We had a very good attendance, what with it being Father's Day, the Royal Show at Wayville, plus a football match at Football Park.

Which proves, if you run a "good show" people will Keep on coming back.

The band "Both Barrells", provided toe tapping music. We wish them luck for their special record release this month.

We had a very full show and it's very pleasing to see so many performers coming along.

Also young ones like six year old Bradley Bergen and ten year old Kylie Elliott, goes well for Keeping country music alive.

New comers performing for us were:- Alby Gollan, Murray Mac, Maryanne & Jeanette Jenkins, comedienne Marg Kuno (The Old Codger), plus Sandra & Margaret, surname escapes me.

Both Barrells rounded off the show with some great dance music and we continued a little longer than usual.

Just as we came to the end the lights went out - Adelaide had a power failure.

Cheers for now.

MEMBER PETE CROWLE recently went to The Muses Record shop, availing himself of the 10% discount to ACMC members, and bought the Tex Morton Regal Zonophone collection.

Pete says: "The trip was worth it as the price was right and the quality of the 88 original tracks was good".

"In my opinion Tex would wear the World Crown for the best 'trick' yodeller in the world, doing those twiddly notes in the back of his throat, which a lot of his imitators couldn't manage, including myself".

"A lady who was kind enough to give me her name as Mrs Jeanette Hawk, told me she had been hypnotised by Tex when he was in Mildura with Ashtons Circus, in the early 60's (she was 16 at the time and formerly Miss Armstrong) I told her I remembered Mike Walsh, of the former TV midday show, asking Tex whether it was all fair dinkum, and whether he would now care to 'come clean' about it. Tex replied there was nothing phony about his ability in hypnosis".

"I know it is on record Tex gained a BA.phD degree from a Canadian University and ventured into the field of Hypnotherapy while in Canada, I believe it was the University of Montreal, certainly though our Australian pioneer of country Music was an amazing man with a great personality and many talents".
