Dear Member

The new year is here and the committee hopes you will continue to support the club in 1990 as you have done in 1989.

There are a lot of new ideas being considered including the formation of an ACMC radio club. (More about that later)

We hope you have been listening to the country music program on SUV...Tune to 531 on the AM band - week nights Mon - Fri. at 12:00 midnight).

We have had some great shows during 1989, Our first, back in feb. at the West Torrens Football club rooms, was a memorable one indeed.

Many country music pioneering stars, who had been involved with radio and early television in SA came along for a get together and to renew old acquaintances. Other shows included identities such as Paul Makin (Makin's Adelaide) remember the segment on Tele? Patsy Biscoe and Damion, Johnny Mac, Doug Ashdown and a host of others.

We are sure 1990 will be another great year for the Adelaide Country Music Club members and friends to remember.

THE GRAPEVINE

HEARD that HELEN & RON WHELAN spent Xmas at Port Lincoln doing a spot of fishing and visiting friends, while BILL & IRENE FORD (now the footy's over) are spending some time at Morgan just relaxing and enjoying some peace and quiet.

THE VINE tells us that LES & NANCY LINQUIST has celebrated their 43rd wedding anniversary recently and also that Les turned 66 on the 29th December. Congratulations Les & Nancy, may you both enjoy many more happy years together.

WHILE on the subject of birthdays it is believed that DES ROGERS celebrated a birthday on Dec. 4th and JAN WORDEN on Dec. 7th. Happy birthday wishes from all at the ACMC.

RUMOUR has it, the presenter of 5UV's "Summer Country" has been missing a lot of sleep lately. Was there a long gap between records the other morning!!!!

NEW YEAR resolutions are plenty but the gossip is:- look out for skinny LEON

Stay tuned

RECORD REVIEW

NEW ALBUM by Randy Travis "No Holdin' Back" is the fourth from this USA artist.

A big improvement on his last release "Old 8*10", the album includes perenial songs Singing The Blues and It's Just a Matter of Time.

DON WILLIAMS first recording with a new label (RCA). A little disappointing, this album "One Good Well" is not the best he has produced and wont take out the Best ever Don Williams award.

USA FEMALE Vocalist of The Year Kathy Mattea, has a new album "Willow In The Wind" whether it is as good as her last is open to conjecture.

It's doubtful if there is another 13 Wheels here.

AUSTRALIAN songwriter of the year, Gold Guitar winner (We've Done Us Proud) and the North album singer, Graeme Connors has a new release "South of These Days".

With excellent music production and good lyrics the album is sure to please.

With North and South albums behind him, will the next one be East or West?

SELECTION records (Eric Watson) goes into the 1990's with production of compact discs only.

Evelyn Bury leads the field with "Someday An Eagle" 12 tracks chosen from the cream of Aussie songwriters.

Recorded at Ross McGregor's Axent studios in Sydney using top class session musicians and a general mix of accoustic it has good credit details and informative cover notes.

SINGLES worth a mention are:- "Shoalhaven Man" featuring THE BUSHWACKERS - "You Taught Me All I Know" probably the best we have heard from JEANETTE JAMES so far - "No More Do The Shears Go Click Click Click" KEN PARMENTER has put new words to a classic with good results - "Home and Away Game" A good song from KEITH GLASS - "I'll Still Love You In The Morning" - A tired set of lyrics but well presented by STEVEN BUNZ

WHEN WE LAST MET

Well! Here we are into the new year I sincerely hope everyone had a happy Xmas and "New Year". At our last meeting we had a very full programme and so extended our time to 7pm.

The attendance was one of the best we have had and our thanks go to the members who brought their family and friends along, I'm sure these new faces will want to come again.

Liz Crago and the band Windfall gave us a great start to the day with their great sound.

Len and yours truly performed our Puppet act ably assisted by cactus the clown (alias Des Rogers).

Members of the committee sang some Xmas carols followed by dear "old" Father Xmas who handed out gifts to all the children.

- IT WAS A DAY OF FAMILY PERFORMERS -

Christine, Tracey & Steven Sherrah (Kiwi Country) who also brought along Michele a Tamworth Star Maker finalist from Victoria, Mick Bergen with grandchildren Shelley & Bradley, The List family Ian, Dallas & Travis, also Lyn Hughes who was accompanied by Steven, great sound from them all. Then along came Glen Harrison and Karen congratulations to Karen on her first appearance playing "Dad's guitar", and she sang a lovely song, Keep up the good work Karen and of course The Wakefield Family.

- COUNTRY MUSIC KEEPS THE FAMILY TOGETHER -

Special thanks to the following performers who always come along and entertain us.

Helen Whelen, Alf Gollan, Nigget Rankine, Jack Spray (thanks for the balloons on sticks), Linda Booth, Terry & Dave (Bluegrass), Ron Owen, Margaret Kuno (the old codger), Murray Mac, Stan Karpeny (with "Little Joe"), Plus a newcomer Jeff Connel and not forgetting our own Mike Quarmby, great to have him back, he gave the show a great finish.

Very pleasing to see the Murray Bridge and Southern Country Music club members along.

I trust ACMC members will also go along and support these clubs.

WHEN WE LAST MET Cont:

Nick Packard was presented him with an Honorary Member award and with our other honorary member Aussie Atkinson, they had a good old chat. Thanks to Jan Worden, Lloyd Starr (welcome back Lloyd) for help with Father Xmas and special thanks to Christine Harrison for selecting the gifts and all the other things she organised. Thanks to Des Rogers and of course our President Glen Harrison - A great year for the ACMC
* SEE YOU ALL ON JANUARY 7th. *

OUR PRESIDENT:

The end of our first year has come and I would especially like to thank all committee members who have contributed so much to the success of our club.

LETTERS

The following letter has been received from member Pete Crowel, a great stalwart of country music.

Many thanks are due to Christine Harrison and the committee members responsible for the arranging and distribution of the lovely Christmas gifts for the children at our Christmas show.

What my wife Beryl and I saw of the small kids, they had a fabulous time. Our grandson aged three years certainly did. He loved his present from Father Christmas.

I can still hear him yelling with the other children, "Wake up, Wake up" as they tried to warn Punch of his several attackers including ghostly, Alligator and others.

Full marks to the Wakefields, Len & Lorraine, for a great Puppet show.

I know too that Len wasn't well on the day but like a true trouper he rallied to the show and no-one would have known. - Typical. -

As usual we had some great artists including the band Windfall with top female singer Liz Crago. She won this "old" man's heart; I bought an autographed cassette on the spot titled "The River Sings The Same Song".

This cassette is reproduced beautifully. - No doubt - a top lady of Country - and a south Aussie girl at that.
