**CLUB NEWS**

**B**y the time you receive your newsletter this month the S.A. Country Music Awards in the Riverland will be over for another year, although at the time of writing this column they are still in full swing. To those of you who attended I'm sure you would have enjoyed it, but, the grapevine tells me it was a bit on the chilly side at times. Don't worry, it wasn't any warmer at home either for that matter.

With our AGM only a few short weeks away, just a short explanation of our Industry and Merit Awards for the benefit of our newer members. The Industry Award is presented for outstanding achievement in the promotion of country music within Sth Aust. and the Merit Award is for outstanding service by a club member. Members submit nominations for both awards with Committee deciding the Industry winner and members deciding the Merit winner by voting at the AGM. Remember, past winners are ineligible.

On AGM day, i.e. our August show, remember that to be eligible to cast a vote you must be a financial member of the club, therefore at entry you will be required to produce your current membership card. This in itself should not cause any problems. Also, don't forget to submit your nomination forms at our July show as this is the last club day you will be able to do so, although you will still be able to mail your nomination to reach the Secretary not later than Sunday 18 July. Whichever method you choose, please let's have a few nominations for this important club day.

Now it's gripe time again unfortunately. At our June show I received several reports regarding the way some cars were parked in the car park. A check showed that the reports were well founded with several cars utilising more than the space allotted. The bays are clearly marked so please one car per bay, the last thing we want is a car parking attendant. Also while on the subject, any car parked in any of the 'disabled' bays MUST display the appropriate authority otherwise it may have to be moved.

On the Monday evening following our June club day, treasurer Dean and I attended the committee meeting of the Slovenian Club for the purpose of finalising a hall leasing agreement now that our trial period has ended. As all parties involved are in complete agreeance regarding terms and conditions, a final contract for a 'three years' period will be drawn up and this will be signed at our July club day. So, it is with a great deal of satisfaction that I am able to report that this excellent venue will be our home for the next three years at least, I'm sure you will all agree.

With that piece of good news, I'll call it quits for this month with a little reminder about those nomination forms for the AGM, don't forget to submit yours,

Regards for now

*Don W* (President)

## **LORRAINE'S ROUND-UP**

Well, hello! June meeting, and we're half way through the year. The band for the month, Cobbers and Co played some good old country numbers, and the music kept the dancers on the floor. There was a sound problem now and then, but we made every endeavour to get it right, and the blow out at the end just needed adjusting. The band send their apologies.

It was a busy day with walk-ups. First were Natasha Higgins and Kellie Zanni, then along came Howard Rayson, Dookie Smith, and Jan and Maureen.

Following another bracket by the band we had David Crozier from Minlaton, followed by Jay J Shannon, who just popped in for a drink and got roped in, and a couple of songs from Rick Pace. A great time was had by all.

Natasha Higgins represented the ACMC at Ardyakka Park at the Barmera festival. A big thank you to Natasha - she tried very hard although she wasn't feeling well. She did an excellent job!!! The club trophy went to Gawler.

### **BARMERA**

Well, another Barmera festival - the 21<sup>st</sup>! Jan Worden and I arrived Tuesday afternoon to a lovely sunny day. At night we headed for the Cobdogla Caravan Park for our first performance. It was freezing cold but a great night of entertainment - a well-organised concert.

On Wednesday morning there was the yodelling concert featuring Zeta Burns from Queensland, Olive Bice and Norm Hunt - both from Bendigo, Murray Mac and myself from Adelaide, Cheryl Lethlean from Victoria and several others. In the afternoon we performed at the pioneers' concert (some good old songs were sung), then at night we were off to the old-time dance at the Football Club.

Thursday was 'girls only' performers - I compared the show to a packed house at the Football Club (Friday was 'boys only' - Jan and I met The Three Darryls - a funny kind of act, but enjoyable). Thursday was the songwriters, and I nearly forgot Friday night at the Bonny Theatre for a spot. Saturday all day I adjudicated and Jan helped out at the Hall of Fame. Saturday night back to the theatre for the Awards Concert - it was a great night. We enjoyed Noel Watson, Sally Burgess and Lillee. Sunday out to the Berri Rodeo Grounds - not a bad start with the weather but about 3 o'clock down came the rain. It is a very good venue. Sunday night we went to Ardyakka Park - it didn't rain! There was a good Club Muster, and Adam Brand and Chris Callaghan were great performers, along with Key Country Band. Monday we headed home after a great week. Special thanks to Jan Worden who kept me in order, and for doing the cooking,

Bye for now,

***Lorraine***

All donations will be acknowledged in the Club newsletter and donations over \$10.00 will be issued with a letter of appreciation.

It should be noted that only the interest received on the invested portion of the fund can be used for the funding of assistance given to the recipients.

## ***The Country Clothesline .....***

A reminder to club members - please note, it is necessary to show your membership card on entry to the monthly show in order to get in at the members' rate. If you don't show your card, expect to pay the non-members' rate. It's impossible for the person on the door to know who's financial and who's not, so flash your card or ante up the extra 2 bucks!

Hope Florence Davis had a happy birthday - she's one of our oldest members, and turned 84 on 25<sup>th</sup> May. Best wishes from everyone at the club, Florence. (Congratulations also to Florence's sister-in-law, who's also named Florence - she's aged 80 and recently got married to her friend Ray. They're not ACMC members but I'm sure we all wish them well!)

### **Special Notice**

Joy Champion has a quantity of craft materials (lace and stuff), which she would like to make up into items that can be sold. Her idea is to form a craft group, meeting at her place to help/teach each other and then donate the proceeds from whatever's made to Canteen (support for children with cancer).

**If you're interested in forming this group contact Joy on 8447 5750**

### **A message from Fraser Angus:**

“I would like to thank all ACMC members for their kind thoughts during my recent and continuing illness. A special thanks to those who turned up at home on 29<sup>th</sup> May to give me a surprise birthday party (20 odd in all). See you next meeting!”

Gary Trenerry wishes to thank all members and friends for their cards, phone calls and get well wishes received following his recent operation.

Some birthday wishes:

Toni Gordon had her birthday on 3<sup>rd</sup> of June.

Heather Kerber hits the big Five-Oh on 22<sup>nd</sup> June.

Evonne Rayson will be 87 another year older on 14<sup>th</sup> July.

Hope you all have/had great days!!

Hearty congratulations are extended to Dallas List and Paul O'Bryan who have recently announced their engagement.

Congratulations also to Madeleine Fulcher and Adrian May, who got engaged on the 23<sup>rd</sup> May!!! Best wishes from all at the club.

Don't forget the special shows with interstate artists coming up in the next few months - keep an eye out for Brian Letton who will be doing a show at the Canine Club on Sunday, 15<sup>th</sup> August, and our October show will feature Peter Coad and the Coad Sisters with special guests Bill and Audrey.

Need new tyres or battery for your car? Check with Dean on your way into the July show for a Beaurepaires Club of Clubs Card and get a bit extra off the cost at any Beaurepaires store in Australia.

Have you ever watched June Sparks on the dance floor? Two left feet! Really! And she proved it at Barmera, by taking 2 left boots. (She left a perfectly good pair of two right boots at home!)

Talking about Barmera, it was old home week - lots of ACMC members around the venues and I was very impressed with some of our line-dancers strutting their stuff in the Barmera pub - I've never seen them so frisky!!!

There's rumour of a new high-tech industry in Barmera - genetically engineered poultry, after a sighting by Jean Hiscock of a peculiar fowl, half chicken and half duck. Well, it was just coming on to dark, and we had been *in the pub* all afternoon, and I really can't imagine what use a chooky dook (or was it a ducky chuck?) would be. But we hadn't been sniffing any wildwood flowers or smoking any funny stuff, so it must have been..... something!

Kevin Malycha, a long time club member, has advised us that he's now living permanently in Queensland and he thanked the club for all the great times he had with the club over the years. Hope he's enjoying country music in the sun!
